

Sustainable Flooring's Strandwoven TIMBER Millwork

Limited Warranty

(5 coverage on delaminating)

This warranty is designed to cover Sustainable Flooring's Strandwoven Timber Millwork installed in residential buildings.

Limited Warranty-

Sustainable Flooring (herein referred to as the manufacturer) warrants that the Strandwoven Timber Millwork sold under this Warranty are, at the time of sale, free of defects in material and manufacture, and that it adheres to Sustainable Flooring's strict specifications for the applications. Sustainable Flooring further warrants that when professionally installed and maintained (both in accordance with Sustainable Flooring instructions) and used for its' intended purpose, Sustainable Flooring Strandwoven Millwork will not delaminate or separate as a result of a manufacturing defect from the date of sale for 5 year period (herein considered "Sustainable Flooring Warranty Period").

The Sustainable Flooring warranty covers the original buyer of the material during the Sustainable Flooring Warranty Period.

This warranty does not cover damage or defects (herein referred to as "**exclusions**") resulting from, or in any way caused by:

- Improper storage, handling, and installation of Sustainable Flooring Strandwoven Millwork (includes improper installation of substructure/subsurface material and its' preparation).
- Misuse, negligence, lack of maintenance, application of solvents (including corrosives or other chemicals), presence of abrasives (such as sand, pebbles, rocks etc.), color changes, fading, or damage caused by the sun, excessive point loads where proper protection is not used, or high heel spikes.
- Stains and finishes when using unfinished.
- Moisture problems at site (includes wall moisture, leaks, flooding, rain penetration, wet mopping, etc.)
- Movement or settling of the structure or substructure material to which the panels are attached.
- Natural catastrophic events or events beyond the control of the manufacturer.
- Installation of panels with visual defects. As with any natural product, slight variations and inconsistencies inherent in the product occur, and are considered normal and acceptable within the product's manufacturing guidelines. If unacceptable panels are found, prior to or during the installation, they are NOT to be installed, and should be set aside. All panels must be reviewed with regards to quality prior to the installation – installation of panels with visually unacceptable defects is not a warrantable claim.

If a problem arises with Sustainable Flooring Strandwoven Timber Millwork, the owner of the panels must notify Sustainable Flooring within 10 days of the discovery of any non-conformity through written notice. The written notice must describe the situation thoroughly, including the location, installation date, and installers' name and contact information. The owner must give Sustainable Flooring a reasonable amount of time to inspect the product prior to any subsequent repair efforts. Sustainable Flooring, using their discretion, will replace the non-conforming panels at their cost, or refund the material purchase price to the owner. Sustainable Flooring's warranty only covers material, and not the labor to install or remove material.

These remedies shall be the exclusive and sole remedies for any breach of warranty.

This requirement (found in this paragraph) is a condition of the "Limited Warranty". If these requirements are not met, Sustainable Flooring will have no obligation to remedy any non-conformity. Sustainable Flooring further reserves the right to inspect any material covering under claim prior to authorizing its' replacement of product.

Warranty Disclaimer

The above warranty is the exclusive and sole express warranty given by Sustainable Flooring for its materials. It supercedes any prior, contrary or additional representations, whether oral or written. Any implied warranties, including Warranty of Merchantability, or any Warranty of Fitness of a Particular

Purpose, are limited in duration to the warranty period for Sustainable Flooring's express warranty, above.
(Not applicable in all states)

Exclusion of Incidental and Consequential Damages

In no event shall Sustainable Flooring be liable for any incidental, special, indirect or consequential damages, whether resulting from delayed or non-delivery or from the use, misuse, or inability to use the product or from defects in the product or from Sustainable Flooring's own negligence. (Not applicable in all states)
